

# KANSAS PEACE OFFICERS ASSOCIATION

Legislative rules require bills must be passed out of house of origin by Saturday, March 1, 2008, to remain active during this legislative session. They must then pass through the second chamber by April 2, 2008, to remain active. The exception to this is a bill that is in an exempt committee, such as: Ways and Means, Appropriations, or Federal and State Affairs. Just because the bill is inactive does not mean it is dead. Unless a bill is actually voted down at Committee, or under the full senate or house, or fails to meet a deadline it remains alive. A bill generally becomes inactive when the Committee it is assigned to does not act on it or the full house or senate does not act on it. The bill could be re-referred to an exempt committee that does not have the deadline or the topic could be amended into an active bill. All bills not approved by the end of this legislative session are dead. 2009 will start a new slate of bills.

April 12, 2008, is the last day for the legislature to consider any bills other than appropriations and vetoed bills. They will meet again after a two week break to consider final appropriations issues and any vetoed bills. The end of session is not scheduled but is typically in mid May.

NOTE: This is a list of all active bills identified by KPOA as having a potential for LE impact. KPOA does not intend to be active regarding all of these bills. Some simply do not need or deserve our attention. Others are matters we do not have a strong position on whether they become law or not. Many of these bills will die a graceful and quiet death, as they should.

The provisions struck down by the court (requirement for court to affirm constitutionality prior to enforcement) have been removed.		Passed by House 123-0. Passed by Senate 40-0. <b>Signed by governor.</b>
		X			SB <a href="#">329</a> House Sub.	Illegal Immigration Relief Act	This is the House immigration bill now. It combined provisions from HB2370, HB2680, HB2836, and HB2921.  <b>The local LE mandates have been removed from this bill.</b>	Current language mandates LE inquire about status on every arrest. (It was on every detention.) It also still has the prohibition of agencies and cities to prohibit officers from acting on immigration matters; and state funding penalties for agencies that violate this law. See section 5 starting on page 7. Also includes a provision for the AG to negotiate with Homeland Security to train and deputize some state LE officers to enforce immigration laws. This does not include a mandate for local LE to participate, but allows it if the local agency wants to.	Passed House 96-27. In Federal and State Affairs Conference Committee.  <b>This is the bill with the conference committee recommendations. Those recommendations remain in conference committee after the House rejected an attempt to move it forward under an agree to disagree motion. So it remains in conference committee.</b>
